Welcome to PDCTA 2024
13th International Conference on Parallel, Distributed Computing Technologies and Applications (PDCTA 2024)
September 21-22, 2024, Copenhagen, Denmark

Call for Participation

We invite you to join us in **13th International Conference on Parallel, Distributed Computing Technologies and Applications (PDCTA 2024).**

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Parallel, Distributed Computing. Original papers are invited on Algorithms and Applications, computer Networks, Cyber trust and security, Wireless networks and mobile computing and Bioinformatics. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field.

Highlights of PDCTA 2024 includes:

- 14th International Conference on Computer Science and Information Technology (CCSIT 2024)
- 12th International Conference on Signal, Image Processing and Pattern Recognition (SIPP 2024)
- 9th International Conference on Software Engineering (SOEN 2024)
- 12th International Conference on Artificial Intelligence, Soft Computing (AISC 2024)
- 9th International Conference on Data Mining & Knowledge Management (DaKM 2024)
- 9th International Conference on Networks, Communications, Wireless and Mobile Computing (NCWMC 2024)
- 5th International Conference on Natural Language Processing and Computational Linguistics (NLPCL 2024)
- 5th International Conference on Integrating Technology in Education (ITE 2024)
- 5th International conference on Big Data, Machine learning and Applications (BIGML 2024)

Registration Participants

Non-Author/Co-Author/Simple Participants (No Paper)

100 EURO for Online (Without Proceedings)

450 EURO for Face to Face (With Proceedings)
