

Call for Participation

We invite you to join us in **12th International Conference on Signal, Image Processing and Pattern Recognition (SIPP 2024)**

This conference is a forum for presenting new advances and research results in the fields of Signal and Image Processing. The conference will bring together leading researchers, engineers and scientists in the domain of interest from around the world. Authors are solicited to contribute to the conference by submitting articles that illustrate research results, projects, surveying works and industrial experiences..

Highlights of SIPP 2024 includes:

- 14th International Conference on Computer Science and Information Technology (CCSIT 2024)
- 5th International Conference on Natural Language Processing and Computational Linguistics (NLPCL 2024)
- 13th International Conference on Parallel, Distributed Computing Technologies and Applications (PDCTA 2024)
- 9th International Conference on Software Engineering (SOEN 2024)
- 9th International Conference on Data Mining & Knowledge Management (DaKM 2024)
- 9th International Conference on Networks, Communications, Wireless and Mobile Computing (NCWMC 2024)
- 5th International conference on Big Data, Machine learning and Applications (BIGML 2024)
- 5th International Conference on Integrating Technology in Education (ITE 2024)
- 12th International conference on Artificial Intelligence, Soft Computing (AISC 2024)
